4. Navigating the Interface (Dietitians)

1. Dashboard

The dashboard features a dark-themed header with a bell icon and user profile. On the left, a sidebar includes 'Dashboard' (highlighted), 'Diet List', 'Nutrition', and 'Reports'. The main area has three large cards: 'Patients' (589), 'Doctors' Orders' (573), and 'Nutritionally at Risk' (6). Below these are a calendar for November 2025, a section for 'Food Requests' (Total: 0), and a 'Meal Census - BREAKFAST' chart. The chart shows meal counts for various locations.

Location	Meals
2nd Floor Flavia Private Room	~6
ENT I ING	~7
ER Boarders	~25
GENERAL WARD - ADULT	~19
GENERAL WARD - PEDIA	~6
Gyne Ward	~11
IDB	~20

Upon successful login, you will be directed to the Dashboard page. This page displays data related to patients, doctors' orders, food requests, and meal census.

a. Patients

Displays the total number of admitted patients. Click the refresh button in the top-right corner to update the patient count.

b. Doctors' Orders

Displays the total number of doctors' orders created. Click the external link button in the top-right corner to view more details.

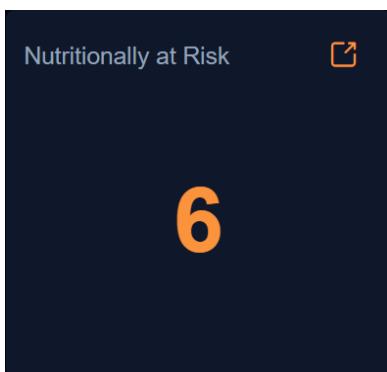

Doctors' Orders		Wards	Status

2. Diet List

The screenshot shows the 'Diet List' page with a dark theme. On the left is a sidebar with icons for Dashboard, Diet List (selected), Nutrition, and Reports. The main area has tabs for Oral, Enteral, and SNS. A header bar shows 'Updated: Nov 21, 2025, 04:30 AM'. Below it is a title 'BREAKFAST' and a dropdown for '2nd Floor Flavier Private Room'. A search bar and a clear button are at the top of a table. The table has columns: Name of Patients, Diet Required, Food Allergies, Precautions, Remarks, and N a R T I. It lists seven patients with their diet requirements and specific allergies. At the bottom right of the table is a 'YES' button. Copyright information and a MIS local 202 message are at the very bottom.

The 'Diet List' page displays information about patients' diets and allows dietitians and food servers to update diet statuses.

Updated: Nov 21, 2025, 04:30 AM

Before updating a patient's diet status in the Diet List, make sure to check the last updated date.

Oral Enteral SNS

Allows you to select whether to display patients with Oral, Enteral, or SNS diets.

Indicates the current meal time according to the latest update. For enteral diets, use the arrows to choose the nth feeding.

The screenshot shows a dropdown menu titled 'Wards' with a list of options: 2nd Floor Flavier Private Room, ENT-HNS, ER Boarders, GENERAL WARD - ADULT, GENERAL WARD - PEDIA, Gyne Ward, and IDB. The dropdown has a dark background and light text.

The Diet List page shows patients' diets according to the selected ward. To select a ward, click the ward dropdown and choose an option from the list.

Indicates the number of prepared meals.

<input type="text"/> Search...	<input type="button"/> Clear

Selecting a row in the list will reveal a popup button. Clicking the button displays the patient's diet information.

a. Patient Diet Information

The screenshot displays the 'Patient Diet Information' section. On the left, under 'Patient Details', it shows a profile picture, the name LIDAB, HAROLD ANTIYAG, age 12 y/o, gender Male, hospital number 1596646, admission date Jun 16, 2025, 10:09 AM, and ward information 2nd Floor Flavier Private Room - F205. Allergies listed are SHRIMPS, CRABS. Admission diagnosis is EWING SARCOMA, RIGHT TEMPORAL BONE, LOCALIZED S/P INCISION BIOPSY (5/3/2024, BGHMC, DR PADALLA-ADACI), S/P IMRT RIGHT TEMPORAL AREA X 30 FRACTIONS 5400 CGY (SEPT 3 TO OCTOBER). On the right, under 'Diet Details', it shows an 'Oral - Full Diet' entry ordered on Nov 18, 2025, 10:36 AM. The diet requirements include 2000 kcal, 75 g protein, 275 g carbohydrates, 67 g fats, and 0 g fiber. It also lists restrictions for food allergies (none) and precautions (Hypo-allergenic).

Shows the patient's general information as well as information pertaining to their diet.

i. Patient Details

The screenshot shows the 'Patient Details' section. It includes a profile picture, the name LIDAB, HAROLD ANTIYAG, age 12 y/o, gender Male, hospital number 1596646, admission date Jun 16, 2025, 10:09 AM, and ward information 2nd Floor Flavier Private Room - F205.

Shows the patient's admission details.

ii. Patient Nutrition Overview

The screenshot shows the 'Patient Nutrition Overview'. It displays height (137.00 cm), weight (22.50 kg), and BMI (11.99). A red warning icon indicates the patient is 'Nutritionally at Risk'.

Shows the patient's nutrition overview. Click the external link button in the top-right corner to view more details.

The screenshot shows a dark-themed application window titled 'Patient Nutrition Screening & Assessments'. At the top, there are tabs for 'Screening' and 'Assessment'. Below the tabs, a section titled 'Nutrition Screening Questions:' lists four items: '1. Child unintentionally lost weight lately', '2. Child had poor weight gain over the last few months', '3. Child been eating/feeding less in the last few weeks', and '4. Child is obviously underweight'. A button labeled '+ New Nutrition Screening' is located in the top right corner of this section. The main area displays a table of screening results:

Date	Height	Weight	BMI	# 1	# 2	# 3	# 4	Risk Status
Nov 12, 2025, 10:24 AM	137.00	22.50	11.99	✓	✓	✓	✓	Nutritionally at Risk

Nov 12, 2025, 09:39 AM	137.00	22.50	11.99	✓	✓	✓	✓	Nutritionally at Risk

Clicking the external link button opens a panel displaying the patient's nutrition screening and assessment, with the nutrition screening shown by default.

The screenshot shows a modal window titled 'New Nutrition Screening'. At the top right is a close button (X). The window contains four questions with 'YES' and 'NO' radio buttons:

Child unintentionally lost weight lately	<input type="radio"/>	<input type="radio"/>
Child had poor weight gain over the last few months	<input type="radio"/>	<input type="radio"/>
Child been eating/feeding less in the last few weeks	<input type="radio"/>	<input type="radio"/>
Child is obviously underweight	<input type="radio"/>	<input type="radio"/>

At the bottom of the form is a large orange 'Save' button with a save icon.

You can create a new nutrition screening by clicking the 'New Nutrition Screening' button and completing the form that appears.

The screenshot shows a dark-themed application window titled "Patient Nutrition Screening & Assessments". At the top, there are two tabs: "Screening" and "Assessment", with "Assessment" being the active tab. Below the tabs is an orange button labeled "+ New Assessment". The main content area displays a list of assessments under the heading "TEST 10". Each entry includes the name "Mariam B. Mohammad" and the date "Nov 12, 2025, 10:25 AM". Below "TEST 10" are three more entries: "TEST 9", "TEST 8", and "TEST 8" again, all with the same author and date. A vertical scroll bar is visible on the right side of the content area.

You can view the patient's nutrition assessment by clicking the 'Assessment' tab. This displays a list of assessments related to the patient. Click an assessment to view more details.

The screenshot shows a dark-themed modal window titled "New Assessment". The main area is a large, empty rectangular field with a dashed border, likely for inputting form data. At the bottom of the window is an orange button labeled "Save" with a small icon of a clipboard.

You can create a new nutrition screening by clicking the 'New Assessment' button and completing the form that appears.

5. Notifications

Notifications can be viewed by clicking the bell icon located at the top-right corner of the page.

A red dot appearing at the top-right of the bell icon indicates that there are notifications that need your attention.

A slash appearing in front of the bell icon indicates that 'Notifications' is not functioning properly and will not update you on incoming doctors' orders ('priority' and 'late updates'). However, you can still check notifications manually by clicking on the 'Notifications' header.

Accept

The other type pertains to changes made outside the cut-off time. These are doctor's orders issued after the cut-off, and it is up to the concerned personnel to decide whether to accept these changes. After accepting these changes, refresh the page to view the updated information.

5. Navigating the Interface (Food Servers)

1. Diet List

The screenshot shows the 'DIETS' section of the Dietary Management System. At the top, there are tabs for 'Oral', 'Enteral', and 'SNS'. The date 'Updated: Nov 24, 2025, 04:30 AM' is displayed. Below this, a large button labeled 'BREAKFAST' with a double arrow icon is shown. A dropdown menu indicates the location: '2nd Floor Flavier Private Room'. A search bar contains the placeholder 'Search...' and a 'Clear' button. The main area displays a table of patient diets:

Room	Name of Patients	Diet Required
F201 (Room-in)	SANTILLAN, CLYVOR RACO SALLATIC 000000001664196	Breast Feeding + FTW
F204	LIZARDO, ZAIREEL FHAYE FERRER 000000000915932	Full Diet

F214	TOMAS, STELLA BEATRICE PASCUA 000000001589895	Full Diet

At the bottom, the footer includes the text: 'Copyright © Dietary Management System 2025', 'Baguio General Hospital and Medical Center - Baguio City', and 'MIS local 202'.

The 'Diet List' page displays information about patients' diets and allows dietitians and food servers to update diet statuses.

Updated: Nov 21, 2025, 04:30 AM

Before updating a patient's diet status in the Diet List, make sure to check the last updated date.

Oral Enteral SNS

Allows you to select whether to display patients with Oral, Enteral, or SNS diets.

Indicates the current meal time according to the latest update. For enteral diets, use the arrows to choose the nth feeding.

A dropdown menu titled "Wards" listing various ward options:

- 2nd Floor Flavier Private Room
- ENT-HNS
- ER Boarders
- GENERAL WARD - ADULT
- GENERAL WARD - PEDIA
- Gyne Ward
- IDB

The Diet List page shows patients' diets according to the selected ward. To select a ward, click the ward dropdown and choose an option from the list.

Indicates the number of prepared meals.

A table header for the Diet List showing columns:

- Room
- Name of Patients ↑↓
- Diet Required ↑↓

Search... Clear

You can filter the list using the global filter above the 'Name of Patients' column or by clicking the filter button to the right of each column header. You can also sort the list using the sort button next to each column header and clear filters in the same way.

Room	Name of Patients ↑↓
<input type="checkbox"/> F201 (Room-in)	SANTILLAN, CLYVOR RACO SALLATIC 000000001664196

Tick the checkbox next to a patient's room to update their meal status.

After updating the meal statuses, the next step is verification. To do this, click the ‘double arrow’ icon located to the right of the meal time.
